

Fast Gloss

A polish and cleaner made from reactive silicones that meets the performance requirements of today: durability, depth of gloss, water repellency, easy application and buffing without streaking or smearing.

Features:

- Cleans and polishes spa shell
- Especially designed to protect spa surface from sunlight, temperature and chemicals
- No streaking
- No smearing

Applications:

3-Month Cleaning:

1. Make sure intended surface is dry.
2. Apply **Fast Gloss** to surface using a dry cloth.
3. Spread evenly to one area at a time with circular overlapping motion.
4. Allow 10-15 minutes to dry.
5. Wipe off residue with clean, dry cloth while turning cloth frequently.
6. Repeat if desired gloss is not achieved.

Tips:

Do not apply to wet surfaces.

Compatible With:

Chlorine, bromine, ozone and biguanide sanitizers and all spa finishes.

Advantage:

Easy to apply and lasts up to 6 months.

Use every three months as part of the **Simple Spa Care® Program**.
