

Mineral Harmony™

BOOST

Increases Water Hardness

CAUTION

KEEP OUT OF REACH OF CHILDREN

See side panel for additional precautionary statements.

Net Weight: 16 oz.

Mineral treated spas require the regular testing and balancing of the water for the minerals to perform properly. Mineral Harmony was developed exclusively for use with mineral treated spa water.

Water hardness describes the total amount of calcium in spa water. **Mineral Harmony BOOST** brings water hardness into the proper range. Low hardness can result in corrosion of equipment and spa surfaces. The ideal hardness level is 150- 400 parts per million (ppm).

DIRECTIONS FOR USE:

SHAKE WELL

1. Test water hardness.
2. If calcium level is too low, with jets on add 1/2 oz. of **BOOST** per 250 gallons of water. This amount will raise the hardness of your water 7 ppm.
3. Run jets continuously for 30 minutes and retest water. If hardness is not in the proper range, repeat above until in the desired range.

SPA SIZE	INCREASE IN PPM REQUIRED			
	7 PPM	14 PPM	21 PPM	28 PPM
250 gallons	1/2 oz.	1 oz.	1-1/2 oz.	2 oz.
500 gallons	1 oz.	2 oz.	3 oz.	4 oz.
1000 gallons	2 oz.	4 oz.	6 oz.	8 oz.

CAUTION: Contains calcium chloride. Skin and eye irritant. Harmful if swallowed. Avoid prolonged contact with skin.

STORAGE AND DISPOSAL: Keep this product in original tightly closed container away from children and pets when not in use. Do not reuse container, but place in trash collection.

HAZARD STATEMENTS: Contains calcium chloride.
CAUTION: May cause skin and eye irritation. May be harmful if swallowed. Prolonged exposure may cause skin and eye burns. May be irritating to nose and throat. Do not get in eyes, on skin, or on clothing. Wear safety glasses and rubber gloves when handling this product. Avoid breathing dust. Do not taste or swallow. Wash hands thoroughly after use. If product gets on clothing remove and wash before reuse. Do not mix with other chemicals.

FIRST AID:

Have the product container or label with you when calling poison control center or doctor, or going for treatment. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor immediately for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. DO NOT induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

NOTE: Buyer assumes all responsibility for safety and use not in accordance with directions.
